Sir:

**INFORMATION DISCLOSURE STATEMENT**

As suggested by 37 C.F.R. 1.97, the undersigned attorney brings to the attention of the Patent and Trademark Office the references listed on the attached form PTO-1449, a copy of each of which is enclosed. The attached form PTO-1449 is based on an International Search Report mailed August 9, 2000, a copy of which is attached, with respect to this disclosure.

The Pulse document was delivered to the inventor by another person subsequent to the filing of the priority application. The Pulse document was purposed to be obtained from the internet. The inventor does not know whether the Pulse document was, in fact, available from the internet, and does not whether the Pulse document was available from the internet or otherwise on September 2, 1999. Submission of the Pulse document does not constitute an admission that the Pulse document is prior art, but is provided for sake of full disclosure of information.

Official citation and consideration of all the attached documents is requested. Please return to the undersigned a copy of the attached PTO-1449 with the examiner's initials in the left column [MPEP §609] with the next communication.

The filing of an Information Disclosure Statement shall not be construed as a representation that a search has been made [37 C.F.R. § 1.97(g)], an admission that the

information cited is, or is considered to be, material to patentability or that no other material information exists. Further, the filing of an Information Disclosure Statement shall not be construed as an admission against interest in any manner [Commissioner's Notice of January 9, 1992, 1135 O.G. 12-25 at 25].

Respectfully submitted,
